Bjers Auto Repair Opens!

Bjers Modern and Classic Auto Repair is now open for business. New owners Steve and Clarann Bjers said they completed a two month renovation on the old saw shop building before opening the doors at 917 Lassen lane in Mount Shasta.

Bjers offers repairs and service for all makes and models of cars including classic and hot rods. Repairs are made by appointment, but you may drop in with an emergency. Hours are 8 AM to 5PM Monday through Friday.

Steve says his experience includes 25 years in all aspects of automotive repair. He is a Ford factory trained Master Technician and holds several Automotive Service Excellence certifications.

"It's been our dream to live in a small family oriented community and own our own shop," said Clarann. "With the support of our community and JEDI, this dream has become a reality."

Steve says the shop features state-of-the-art equipment, including computers for diagnostics and maintenance.

"Maintenance is a high priority as this prolongs the life and dependability of customer's vehicles." Steve said.

"People always wonder why mechanic's waiting rooms had to be dirty and greasy." Clarann said, "We changed that."

For an appointment or more information, call 530-926-0500.
