### Historic Corner Club Reopens Its Doors

"Never say you can't do something. If you want it bad enough, then just dive in and do it!" says Rebecca Adams, the new owner of the *Corner Club* in Montague. RB, as she is affectionately known, had the dream of reopening the family steakhouse after it was closed by former owners. Last year, her friend asked her what was stopping her from buying the business and she said, "money."

RB decided to get help and called Jim Cook of Great Northern. Jim directed RB to JEDI for help in writing a business plan and in preparing a loan application. After meeting several times with Tom Waddell, a JEDI-SBDC Counselor, she completed her business plan and four days later the City of Montague approved her business loan.

RB was somewhat shocked and, of course, excited. Her dream came true and she opened the restaurant in August 2003. She has already expanded the business and has set up *RB's Awards & More* right next door. It serves as a gift shop, tuxedo rentals, and awards store.

The *Corner Club* is also part of a larger vision RB has for Montague. She wants the people of Siskiyou County to know more about the good things in her community. "There are so many wonderful businesses here like the feed store, tea room, drive-thru expresso, and the teen center. We are a growing business community and we want to share our resources with others."

RB plans to take JEDI's *It's Your Business* class in January 2004 to learn more marketing strategies. She plans to use them to help the *Corner Club's* restaurant during slower winter months. She feels that if it wasn't for JEDI and Great Northern, the *Corner Club* would not have been resurrected. Visit the *Corner Club*, 11th and Webb in Montague, (530) 459-3103.
